

GROUP DENTAL

Great service – guaranteed

Sun Life is pleased to offer a Dental service guarantee that covers the speed and accuracy of our claims processing, our responsiveness, and the policyholder's overall satisfaction.

Our Service Guarantees:

Claims service

We guarantee that 85% of claims will be processed within 15 calendar days of our receipt of all required information. In addition, our claims processing will be 99% accurate when making claims determinations in accordance with the provisions of the underlying plan.

Customer service

We will respond to all telephone calls from policyholders and claimants within 1 business day.

Overall satisfaction guarantee

We're committed to service. If a policyholder is not satisfied with their Sun Life experience – for any reason – we will provide payment under this section.

If we do not meet the terms of a guarantee, a policyholder may request in writing a service guarantee review. Sun Life will determine whether it failed to meet the guarantee and whether a payment is made. If Sun Life, in our sole discretion, determines that significant events outside of our control have occurred, such as a Pandemic, we reserve the right to change the terms of any and all service guarantees. For example, we may cease the service guarantees program entirely, or remove a section of the offering that has been impacted by these events. If the request is approved, payment will be made by check during the policy year, as long as the policy remains in force during this time. Sun Life's maximum liability under this guarantee for any policy year is limited to the lesser of 3% of the policyholder's annual Dental premium or \$5,000. The maximum payment for a breach of any one component is one third of the maximum liability (lesser of 1% or \$1,667). If a policyholder has more than one line of insurance coverage, the Overall Satisfaction component will be paid only if the service issue arises under this guarantee.
