

ENROLLMENT

Electronic Enrollments—Less work. More fun!

Our secure electronic enrollment solutions can help remove the stacks of enrollment materials you have had to sort through for all these years.

These solutions are a great addition to any enrollment, offering:

- **Tablet or Online Enrollment** access available
- **Quick and easy-to-navigate** user interface
- **Benefit information** to help employees make good decisions
- **Core enrollment** so you can include all of your offerings in one platform
- **Email confirmation** for employees to see their elections were recorded
- **Health Evidence Questions** collected directly on the platform
- **Offline access** so an internet connection is not necessary (tablet only)

What do you need to get started?

- A full census to pre-load the enrollment system
 - Including salaries, dates of birth and dates of hire
 - Once loaded, all employee details will be accessible to save your employees time when enrolling for benefits

It is just that simple to get started and begin enrolling your employees today!

Tablet enrollments can be used as part of one-to-one enrollment meetings or small group settings. Online enrollments are a great way to allow employees to enroll outside the office and on their schedule. Our secure platform includes all of the information that will be needed for your employees to enroll—there are no paper forms they will have to submit later. The entire enrollment process can be completed in just one sitting!
