

Online Services for Members

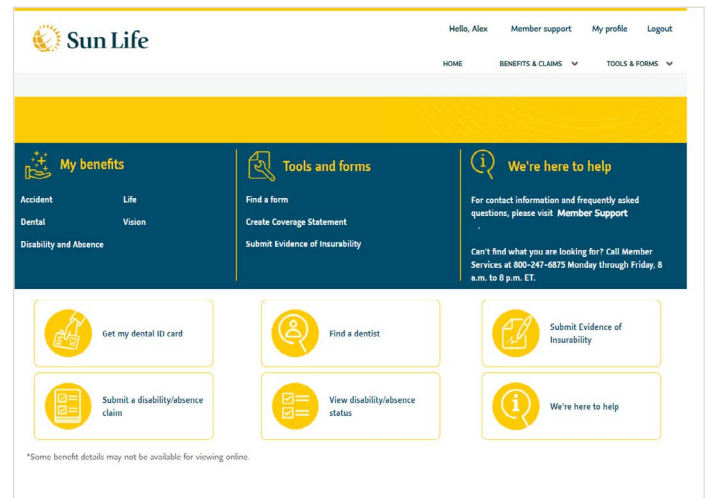

With a Sun Life account, you can manage the benefits you have with us online, on your schedule.

Our online portal is mobile friendly.

This means you can easily do all of these things right from your smartphone or tablet, too!

What can you do in your Sun Life account?

- Have immediate access to your plan information
- View/print personalized dental ID cards
- View most recent dental visits and procedures
- Find a vision or dental network provider and/or specialist
- View/print policy booklets
- Submit short-term disability, long-term disability, and absence claims as well as upload claims documents
- View life, short-term disability, long-term disability, absence, and accident claims status as well as payment information
- Access helpful Employee Assistance Program (EAP) resources
- Apply for Evidence of Insurability (EOI) for Life, STD, and LTD

Easy registration - create an account today!
